

Trustee on the Board of The Alex Moulton Charitable Trust

Reports to Chairman

0-5 hours per month estimate

Mostly during office hours. One board meeting monthly either in person or via Teams. In addition, we encourage trustees to take part in our events and occasions.

Location and Travel:

Bradford-on-Avon, BA15 1AJ

Mainly at home

You will be from Wiltshire, Bath location and ideally within 50 miles of Bradford on Avon

Pay: Volunteer

Purpose:

As we look to the future, we recognize that we need to build our non-executive capacity in areas such as:

- Museums & Collections
- Building conservation
- Fundraising
- Land & Property management/ Holiday rentals
- Marketing, communications & IT
- Planning & Architecture

Candidates are likely to bring a good understanding of the Trustee role. Most importantly we wish to attract applications from those who bring a range of insights and perspectives. Whether you have a passion for museums and collections, or you have a wealth of knowledge from a business, leisure and tourism background or you just want to support a local trust to make a difference, we will value your contribution.

Profile:

The Hall, owned by the Alex Moulton Charitable Trust, is set in 3.5 hectares close to the centre of Bradford on Avon. We use our location to create a place to visit, learn and enjoy. As we develop our long-term strategy, we are adding more events, venue hire, and the introduction of holiday lets.

The Hall, built in 1610 holds within its walls a multitude of history spanning the families and generations who have resided in this magnificent house. Latterly the home of Dr Alex Moulton, engineer of note and founder of the Trust.

It is an exciting time to join AMCT as we progress our 5-year plan, with additional income streams being added to ensure the preservation of The Hall, estate, and collections.

Cooperate in developing the boards vision and values that shapes the organisations ongoing development.

We fully embrace diversity and welcome applicants from a broad range of backgrounds, who feel they can contribute to the preservation of The Hall, curation of the collection and share commercial expertise.

We are currently working to a vision of a high calibre that incorporates the following values.

- Ensures the Trust is an employer of choice and is staffed by a talented team, skilled at all levels.
- Enables improvement, & innovation which becomes sustained as a culture.
- Secures organisational sustainability & compliance.
- Builds external relationships, fostering social & professional capital.
